By offering a wide range of award-winning educational programs, we provide post-secondary students with a marketable path to achieve their professional goals and strive for a legacy of excellence. Student enrollment has grown more than 647% over the last 8 years, increasing from 475 students in 2018 to a population of 3,550 students as of March 31, 2026.

Through our outstanding programs and expert leadership, we are committed to growing our educational footprint through organic enrollment growth, program expansion, and acquisitions.

Legacy Education institutions are accredited by Accrediting Council for Continuing Education and Training (ACCET) or Accrediting Bureau of Health Education Schools (ABHES). All are licensed to operate by the Bureau for Private Postsecondary Education (BPPE). Our Licensed Vocational Nursing program is approved by the California Board of Vocational Nurse and Psychiatric Technicians (BVNPT). Our Veterinary Technology program is accredited by the Council on Veterinary Technical Education and Activities of the American Veterinary Medical Association (AVMA).

CAREER OPPORTUNITIES

According to the U.S. Bureau of Labor Statistics (bls.gov/ooh/healthcare), overall employment in healthcare occupations is projected to grow much faster than the average for all occupations from 2024 to 2034. About 1.9 million openings are projected each year, on average, in these occupations due to employment growth and the need to replace workers who leave the occupations permanently.

The median annual wage for healthcare practitioners and technical occupations (such as dental hygienists, physicians and surgeons, and registered nurses) was $83,090 in May 2024, which was higher than the median annual wage for all occupations of $49,500. Healthcare support occupations (such as home health and personal care aides, medical transcriptionists, and occupational therapy assistants) had a median annual wage of $37,180 in May 2024, which was lower than the median annual wage for all occupations.
